

AVO UK LTD

Performance Suspension

AVO UNIVERSAL MONO-TUBE

Strong, Durable & long service life.
Telescopic, coil overs & full struts.
Gas pressurised.
Single, Double or Tripple adjustable.
Fully servicable.
Advanced silkolene synthetic damper oil.
40mm or 50mm o/d struts available.
Large diameter pistons that give more accurate damping control.
Strut applications inverted insert design for ultimate strength.
Spherical Bearing Mounts.

To find your damper, take the part number from the Mono-tube damper options table below, and add the part number from either the Single adjustable, Triple & Double adjustable dimensions table below.

Example: "MTCSA130/100" is a Mono-tube, Coil over, Single Adjustable, 13" open, 10" closed.

To view the damper drawing goto the Downloads page	Single Adjustable		Double Adjustable		Triple Adjustable	
	Part No.	Price	Part No.	Price	Part No.	Price
Coil Over	(MTCSA)	£200.00	(MTCDA)	£300.00	(MTCTA)	£400.00
Telescopic	(MTTSA)	£170.00	(MTTDA)	£270.00	(MTTTA)	£350.00
